reservation form. Any and all changes (times, locations) must be agreed to by both the minister and couple PRIOR TO WEDDING DAY.

- Filing signed marriage license with appropriate Probate Court office.

There is an additional charge of \$100.00 for rehearsals. PLEASE NOTE!

Rehearsals must be booked during the week. We are generally not able to attend rehearsals booked on Friday, Saturday or Sunday. Please check with your minister before booking rehearsals to make sure that person is available.

A completed Ceremony Reservation form with agreed upon deposit is required to hold the date, time and location of ceremony. Deposit is non-refundable.

Balance is due prior to wedding day. Please note that we allow 15 days for checks to clear the bank and do not return the signed marriage license to Probate Court until check has cleared.

The minister will arrive in plenty of time, (approximately 30 minutes prior to start time of ceremony), to have paper work completed before the ceremony begins. During this time, someone appointed from the bridal party can review with the minister how the processional and recessional is to take place. The minister will also coordinate with whom ever is providing the music and the photographer and/or videographer.
